ENGADINE – The Engadine girls played an aggressive game against Bay De noc, dominating from start to finish and routed the Black Bears, 40-23, Tuesday night.

Engadine took charge and played a very tough game, with 10 fouls in the first quarter alone.

“I just think we were playing sloppy is what I think,” Engadine coach Roger French said. “We had six fouls in the first quarter and ended up with ten for the half.”

The Eagles’ victory was their third win in a row, with an average margin of victory of 25 points.

“We’re a 5-3 team,” French said. “I’m not sure of Brimley’s record. They beat Rudyard, but they might have one loss. I haven’t paid attention lately.”

During the third quarter, Engadine held the Bears scoreless. The Eagles rolled with a total team effort with every player contributing on the scoreboard.

“Our goal was 40 (points),” French said. “We exceeded that offensively, but it started with steals at half court when we put the pressure on and did it right in the doubles it’s hard for them to score when they turn it over.”

EAGLES END SLIDE WITH FIRST WIN

ENGADINE — Engadine coach Mr. Hanson summed up his first win of the season in three words.

“It’s a relief,” he said.

The Eagles first win of the season, a 61-19 thrashing of Bay de Noc, showed Hanson just what his offense is capable of.

“Our biggest thing is what we did that we needed to get better,” Hanson said. “We needed to get a couple of goals on the board and we attacked (Bay de Noc) and we worked our best which is an opportunity to put some chemistry in that and all since of four.”

The Eagles dominated Bay de Noc with an explosive offensive game. Charlie Snider led off game with a lay up. He followed that up with a free throw.

Wyatt Flatt and Caleb Gehrett rounded out the scoring in the first quarter with three more lay ups.

Then Hanson put his starters in for the second quarter, and the offense soared.

Engadine piled on points on the Black Bears, and at the end of the quarter, the Eagles had scored 32 points.

“I didn’t know that we had that many, but that’s good,” Hanson said. “But that’s what we needed, you know. The original starters got in there and executed the rest like they were supposed to. So, we got loose for that so it was good.”

In the Halls

Students in the halls were asked who would win the NFL games this weekend

KYLE GOULD

49ers all the way, because Gorapallo came in there and made them a great team. They also have a pretty strong defense with Richard Sherman as the leader, and they have Nick Bosa too.

NICK NANCE

San Francisco 49ers, the Niners just got four back from injury: Kwon Alexander, Dee Ford, and two other players on their defense. So I think the Niners are going to win it. In the AFC Championship game the Kansas City Chiefs just have too much of an important offense.

DILLON SCHAAP

Not Green Bay. Green Bay sucks. I don’t like Aaron Rogers. But the San Francisco 49ers, they’re amazing.

IAN McARTHUR

That’s gonna to be a good game. I think the Titans. They’re having a strong season for the playoffs. Derrick Henry is going to get rushing yards. So I’m going with the Titans on that one.
LADY EAGLES DEFEATED MANISTIQUE, DETOUR

The Eagle’s Cry

ENGADINE – Considering the loss Engadine took at Manistique on December 17, the Lady Eagles really brought the power during the first quarter. That power led to Engadine exacting revenge on the Emeralds, winning the game, 47-28.

“We well knew, over there, we didn’t play well, so first quarter we wanted to come out and play good ... solid and we mixed up lines a little bit and we want to be a fast team,” Coach Roger French said.

“...And we thought pressure on it, and I thought we did good, but we were a little bit reachy on the defensive end. Which we had to flip flop a few things when a few of the guards got in foul trouble,”

During the first quarter, the Eagles were constantly getting fouls and playing rough. Izzy Kopsi made an amazing buzzer beating three-pointer at the end of the first quarter.

Kearra Paquin shot lights out at the beginning of the game, padding Engadine’s lead over Manistique.

Throughout the game, the Eagles tried hard to keep the ball away from the Emeralds. In its efforts, Engadine made contact with Manistesque players to reach the ball. There was several moments where both teams were wrestling on the floor in an attempt to get the ball.

That kind of physicality helped the Eagles hold a twenty-point lead for most of the game. When the fourth quarter came, they had a substantial lead and played less aggressively.

“We were rotating lines, then we wanted to get everybody in. With a twenty-point lead, I’m pretty comfortable,” French said. “We want to get everybody playing time, though some that don’t get as much in a tight game, we want to do that. So yeah, we didn’t, there’s no need, I’m comfortable with a twenty-point lead” French said.

ENGADINE – The Engadine girls’ basketball team played a methodical game against the Detour Raiders. The game started off at a slower pace, but picked up later in the game. With the uptempo pace, the Lady Eagles easily dispatched the Lady Raiders, 79-36.

The first quarter of the game started off much slower than either team would have liked. Both the Eagles and the Raiders were not playing well, with Detour leading by a score of 3-2 at the end of the first quarter.

When the second quarter started, Engadine started to play at a faster pace. The Raiders couldn’t keep up with the Eagles pace after the first quarter. Engadine then started to take control in all aspects of the game.

The Eagles, a usually good shooting team, did not make as many shots as they would have liked. They did score plenty on second and third chance offensive rebounds, offsetting a poor first look.

In the second half, Engadine put on a dominate performance. DeTour had no answer to the Eagles when Engadine started playing its game.

The Eagles started finding their mark in the third quarter, making almost every shot they took. The Raiders just couldn’t keep up with them.

With a comfortable lead heading into the fourth quarter, Engadine was able to hit the brakes and relax the pace.
